6. Selection Panel

6.1. Final team selections (stage 3) are made by a Selection Panel appointed by the BBF Performance Lead and BBF Technical Lead;

6.2. The Selection Panel shall be chaired by the BBF Performance Lead or another individual appointed by the BBF Performance Lead, who may or may not be a voting member;

6.3. Due to the number of players involved, stages 1 and 2 will not take place during a formal selection panel meeting and will instead be undertaken as part of an informal process.

6.4. This process will be guided by the Aim, Selection Criteria and Eligibility Criteria outlined in this policy.

6.5. There will be 3 voting members on the Panel, which may consist of representation from the following;

- 6.10. The number of Selection Panel voting members must be uneven and decisions will be made by majority vote.
- 6.11. Any conflicts of interest outside of Home Country Association or club affiliation shall be declared. Where a member of the Selection Panel declares a conflict, the remaining Selection Panel members and the Independent Observer shall determine whether such conflict requires the Selection Panel member to stand down from the Selection Panel. In those circumstances, the Selection Panel shall decide whether a further panel member should be appointed in their place.

7. Selection Criteria

- 7.1. The multi-faceted nature of team sport makes objective criteria very difficult to define, and thus it is acknowledged there will always be a component of subjective decision making (expert opinion) in regard to final selection of Teams.
- 7.2. When making its selection decisions, the Selection Panel will consider various factors set out below, in any order and weighting that the Selection Panel reasonably sees fit in order to achieve the Aim set out section 2 of this policy. Such weighting shall be consistently applied to all players within a team and recorded in the selection panel minutes;
 - 7.2.1. the relevant GB Basketball Team Head Coaches' recommendations;
 - 7.2.1.1. which players make up the team most effectively able to meet the Aim; and
 - 7.2.1.2. which players make up the team most effectively able to achieve the Performance Outcome (whilst being guided primarily by the Aim);
 - 7.2.2. the health and fitness status of a player as outlined by the relevant GB team physio or medical personnel, and how this may or may not impact their ability to play at the level required;
 - 7.2.3. whether a player demonstrates the appropriate commitment to the team;
 - 7.2.4. the profile of players selected to ensure optimal team composition, including playing position, adaptability and off-court contribution to the team. The Selection Panel will take account of different combinations of players, and may not necessarily select a player with the best skillset for a specific position, but who may contribute more to team performance than others, in order to achieve the Aim
 - 7.2.5. players' compliance with the BBF Regulations, any applicable Code of Conduct and any British Basketball Player Agreement entered into with the BBF; and
 - 7.2.6. any other reasonable points the Selection Panel deems necessary.

8. Reserves and De-selection

- 8.1. Following selection of players that will make up the team, the Selection Panel will also consider reserve places.

- 8.1.1. The number of reserve places offered will be nominated by the Head Coach, and selected by the Selection Panel, in line with the process outlined in clauses 5 and 6 of this document. Reserves may not necessarily be identified for every team and will be selected in line with the Aim and using the same Selection Criteria listed above;
 - 8.1.2. Any reserves identified will not be in priority or number order. Any selection of reserves players will be decided in line with which reserve player can impact the Aim most effectively;
 - 8.1.3. If the requirement to use a reserve player does arise, the panel will agree the inclusion of any such reserve player to the selected team via email, and not reconvene formally, with players only contacted if they are being brought onto the selected team.
 - 8.1.4. There will be no subsequent right of appeal for any unused reserves.
- 8.2. Where the BBF Performance Lead, or another person appointed by them, reasonably feels that any selection no longer meets the Aim, they may reconvene the Selection Panel, who may elect to void the original selection and redo its original selection with all of the rights of appeal.
 - 8.3. There may be circumstances, after the teams or squads have been announced, where selected players and/or reserves are unable to compete in a competition due to illness, injury or for some other reason. Where the number of withdrawals means that there are more places than selected and reserve players, then the selection panel may reconvene to select additional and/or replacement players, in accordance with this policy.
 - 8.4. Selected players must agree to participate fully in the bespoke and generic elements of the GB team preparation for the event. Failure to participate fully without the written and express permission of the BBF Performance Lead or Head Coach may result in a player forfeiting their place in the team. The Selection Panel may (if appropriate) select a replacement player in accordance with this policy.
 - 8.5. Selected players may be required to undergo an assessment (performance, physiological, medical etc.) in the period between the selection date and the Event if the BBF Performance Lead and Head Coach have reason to believe they are not fit to compete or no longer meet the Aim of the process. All assessments will be conducted by an appropriate GB team staff member. Where the assessment results reasonably lead the BBF Performance Lead to conclude that a player is not fit to compete then at the discretion of the BBF Performance Lead such players may be de-selected. There shall be a right of appeal against any de-selection decision.

9. Appeals

- 9.1. The BBF operates a formal appeals procedure for challenging selection decisions. The Appeals Procedure must be instigated within 48 hours (excluding weekends and bank holidays) of email notification being sent to players.
- 9.2. Appeals will only be accepted for decisions made in Stage 3 'Final Team Selections' as outlined in clause 5.6 of this document. This is due to the number of players potentially involved at stages 1 and 2.
- 9.3. It is a priority of this Selection Process that players who do not gain selection at stage 2 of this process (i.e. selected for the long-list but not the squad) will receive context as to why they did not gain selection. Including feedback on their potential to earn future selection and information on what they may need to do to be in a better position to gain selection for GB teams in future.
- 9.4. Any appeal shall be managed in accordance with the Appeals Policy available on the BBF website <link to be added when appeals policy published>.

10. Data Protection

- 10.1. Personal data collected as part of this process will be managed in line with our Data Protection and Privacy Policy, and in accordance with the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018

- 10.2. The BBF is committed to protecting the confidentiality, privacy and security of Players' personal information.

11. Review and Access

- 11.1. This document will be subject to periodic review and may be amended post publication to ensure it takes into account any external rule or policy amendments, and to ensure it includes any relevant feedback. This policy and any amended policy will be published on the British Basketball website.
- 11.2. Any changes to this Policy will be done so in a manner that protects and promotes the objectives identified in this Policy.
- 11.3. BBF will make available (on request) electronic copies of this Policy to Players and where applicable their parents. Electronic copies of this Policy are available on the BBF website ("the Website"). In the event that any person is unable to download this Policy, they are invited to contact office@gb.basketball.
